

CANDIDATE BRIEF TEACHER OF DESIGN TECHNOLOGY

LETTER FROM THE HEAD TEACHER

Dear Applicant

I am delighted that you are expressing an interest in working at Queensmead. I took up the position of Head Teacher in 2009 and it fills me with pride when I reflect on what we have achieved in this time and how we continue to build on our outstanding work. We are committed to ensuring that every student at Queensmead excels and has the very best start in life. Our standards are high and our expectations are clear and consistent.

During my time I have seen some exceptional teachers and also witnessed remarkable growth in teachers. I am proud that several members of my leadership team started their careers as NQTs in our school. We are committed to your development and providing you with the opportunities and support to progress in your career.

I wish you luck with the application process and invite you to visit us and see the school for yourself. Indeed, it was the students and the team that inspired me and many others to join Queensmead!

If you have any questions on the recruitment process, please email recruitment@qmschool.org.uk or visit our website:- www.queensmeadschool.org.uk

Yours sincerely

Rhona Johnston

DEPARTMENT OVERVIEW

We seek a positive, conscientious and proactive teacher to join our ambitious, high achieving and well-resourced department in an environment where students want to learn.

The successful candidate will be required to teach Design Technology, specialising in the teaching of Engineering, Product Design or Graphics.

The successful applicant will be joining a strong department which delivers GCSE, A Level and vocational courses. Last year, KS4 pupils achieved over 67% 9-4 in GCSE Design and Technology, 87% D*-P in NCFE Engineering and 100% in NCFE Graphics. 69% BTEC Engineering Level 3 students all achieved D- Distinction* grades whilst Product Design at KS5 achieved 86% A*-C.

The department currently offers Design Technology, Engineering and Graphic Design at KS4 and focuses on Engineering and Product Design at KS5. The successful candidate will share in our belief that the key to raising standards and levels of engagement is through high quality learning and teaching.

The department values both traditional and cutting edge technologies and is well equipped to deliver both. Our newly built Design & Technology block is an amazing, newly resourced facility to support teaching and learning. The new building includes three workshops and two computer suites, including Solidworks and Adobe packages, with areas set aside for 3D printing and laser cutting projects.

You will be joining a friendly, professional and collegiate department and school, both of which are wholly committed to securing the best outcomes for young people. You will benefit from a comprehensive programme of induction, support and on-going professional development leading to potential early promotional opportunities.
